RE: Thermogen I, LLC – Air Emissions License Application  
Advanced Biofuel Wood Pellet Production Facility, Millinocket, Maine

Dear Ms. Tarbuck:

Enclosed please find two copies of an Air Emissions License Application for Thermogen I, LLC's proposed advanced biofuel pellet production facility in Millinocket, Maine. This application is complete and includes all the necessary information to demonstrate that the facility will comply with State and Federal emissions limitations, control technology requirements, and ambient air quality limits.

Should you have any questions regarding this application please contact me at 603-319-4400 or [dfrecker@catecapital.com](mailto:dfrecker@catecapital.com). A copy of this application is also being provided to the Town of Millinocket and made available for public review at the Town's municipal offices. We appreciate the Department's attention to this application.

Sincerely,

**THERMOGEN I, LLC**
